

**Drive 0.55kW 220/380V 60Hz 3Ph AM6 w/switch box**

Article number: 11-31-5021

**Dimensions**

Width	238.00 mm
Actual weight	12.063 kg

Rated values

Nominal frequency [Hz]	60
------------------------	----

Classification

Certifications	CE
----------------	----

Rated values 60 Hz

Nominal power	0,55 kW
Nominal voltage delta connection	220 V
Nominal voltage star connection	380 V
Current consumption delta connection	2,61 A
Current consumption star connection	1,5 A
