

**Drive 0.75kW 230/400V 3Ph 50/60Hz FlexVey 60**

Article number: 25-63-3065

**Dimensions**

|               |           |
|---------------|-----------|
| Length        | 754.00 mm |
| Width         | 235.00 mm |
| Height        | 246.00 mm |
| Actual weight | 18.459 kg |

**Rated values**

|                        |    |
|------------------------|----|
| Nominal frequency [Hz] | 50 |
|------------------------|----|

**Rated values 50 Hz**

|                                      |         |
|--------------------------------------|---------|
| Nominal power                        | 0,75 kW |
| Nominal voltage delta connection     | 230 V   |
| Nominal voltage star connection      | 400 V   |
| Current consumption delta connection | 3,08 A  |
| Current consumption star connection  | 1,78 A  |
